--

**4. Please indicate the following:**

I am applying for a place on the

Diploma in Humanistic Counselling Year`1 (next run is January 2007)

APL entry to the Diploma Year 2 starting January 2008

My fees will be:

funded by an organisation

funded by myself

Organisation name.....

If you are funding the course yourself, please indicate if you would like the option to:

pay the diploma deposit in instalments

**5. Please tell us about the following using additional sheets of paper:**

**i)** Any experience you have had in a voluntary or professional role of using counselling skills or offering formal contracted counselling.

**ii)** Any experience you have had of personal therapy, personal development workshops or as a participant in unstructured group work or similar, with some indication of the theoretical orientation, and length of contact you have had.

**iii) In about 500 words, tell us:**

Why do you want to do this course and why now?

What challenges might this course pose you, and how have you responded to such challenges in the past?

**iv)** Please write a short essay (1000 words) demonstrating your understanding of a humanistic theory, illustrating key concepts with examples from your own personal and professional journey. Please include relevant references and provide a bibliography.

**v) Direct APL entry to year 2 only:**

You will need to provide an audio tape of you in a counselling role for a 40 minute session (can be a specially set up situation if needed), plus a transcript and analysis of the session. Please ask for details of what is needed, or look on [www.swaffham.net/counselling](http://www.swaffham.net/counselling) for an information sheet.

A charge of £40 (£50 where individuals are being funded by an organisation) will be made for listening to and assessing the tape, whether or not the application is successful. Please include a cheque, payable to Jacky Walker, with your application.

**vi) Referees**

You will also need two referees: a tutor from your previous counselling training plus someone who knows you in a professional or voluntary helping capacity, if possible. Please give your referees a copy of the course information and the referees' information sheet (overleaf) and ask them to send their references directly to us
